

Sarangkot Hiking - Itinerary

1. Kathmandu - Pokhara

Around 4-5 hours of drive to Pokhara enjoying the scenery on the way. We reach the paradise city Pokhara. This city is enchanting with the altitude of 827m in the base of Mt. Fishtail. From caves, lakes and gorges to viewpoints, Pokhara city is the main hub for adventure.

2. Pokhara to Sarangkot

From Pokhara, we hike up-to Sarangkot to witness the great Lakes and Annapurna Himalaya range with mountain giants like Mt. Fishtail, Annapurna I, Dhaulagiri, Nilgiri and many more. Sunrise and sunset is another great aspect of this hiking after you reach to the top. Our overnight stay is at Sarangkot.

3. Sarangkot – Pokhara – Kathmandu

Today will be the descending day; we descend to Pokhara after beautiful experience of Sunrise and giant Himalayan views from Sarangkot to Pokhara. Then, we will be heading to Kathmandu on drive hopefully for another great journey.
